**Subject:** RE: IPR2015-00410: Request for a Conference Call With the Board

Counsel:

The parties are authorized to file a joint motion to terminate the proceedings in each case, along with a copy of the settlement agreement and a separate request that the settlement agreement be treated as business confidential information and be kept separate from the case files under 37 C.F.R. 42.74(c). For guidance on what the joint motion to terminate must include, we direct the parties to case IPR2015-00293, Paper 7 (PTAB Jan. 8, 2015).

The papers shall be filed no later than Wednesday, May 20.

In light of the foregoing, the deadline for Petitioner's supplemental brief regarding the real party-in-interest issue, which is currently due May 7, 2015, is suspended until further notice.

Thank you,

**Subject:** IPR2015-00410: Request for a Conference Call With the Board

To Whom It May Concern:

Patent Owner in IPR2015-00410 respectfully requests a conference call with the Board to request leave to file a joint motion to terminate the proceedings. The reason for the requested leave to file a joint motion to terminate is that the parties have entered into a confidential settlement agreement. Petitioners do not oppose this request.

During the same conference call, Petitioners would also like to request that the Board hold in abeyance the deadline (which is currently May 7, 2015) for Petitioners' supplemental brief and evidence on the real party in interest issue (which was authorized by the Board's April 16, 2015 Order (Paper No. 17)) until after the Board decides all issues relating to the proposed joint motion to terminate. Patent Owner does not oppose this request.

Counsel for the parties are available for the requested conference call at the Board's convenience any time today (May 6, 2015) and tomorrow (May 7, 2015), and have additional availability should the Board so require. Thank you very much.

Respectfully,  
Peter J. Armenio
