DETAILED ACTION

The interview summary with Paper No./Mail Date 20110922 serves as Applicant's response to the Final rejection filed August 3, 2011.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

After further consideration after a patentability conference with Jean Witz and Sreeni Padmanabhan the unexpected results presented by the Applicant during the course of examination overcomes the rejection of record. Thus, claims 12, 23, 24, 28, 29, 50, 51, 53, 55-60, 62, 66, 67, 69-72 and 74-110 are allowed and renumbered to claims 1-58.

Since the provisional nonstatutory obviousness-type double patenting rejection is over a later filed application, the rejection is withdrawn. Additionally, due to the unexpected results filed by the Applicant during the course of examination and further consideration, the previous 35 U.S.C. 103(a) rejection is also withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kendra D. Carter whose telephone number is (571) 272-9034. The examiner can normally be reached on 8:30 am - 5:00 pm.
