**PLAINTIFF’S CONSENTED MOTION FOR LEAVE TO FILE  
THIRD AMENDED COMPLAINT**

Pursuant to Rule 15(a) of the Federal Rules of Civil Procedure, Plaintiff Magna Electronics Inc., moves the Court for leave to file a Third Amended Complaint in the form attached as Exhibit A.

The basis for this motion is that the Third Amended Complaint adds a count for infringement of recently issued Patent Nos. 8,599,001. This patent claims priority to patents asserted in the Second Amended Complaint. The first date scheduled since consolidation of pretrial proceedings in this action is the submission on January 20, 2014 of an Amended Chart of Claims (including contributory infringement claims and newly added patents), with the parties agreeing to exchange charts of infringed claims on January 14, 2014. This amendment will therefore not delay any proceedings in this action. Counsel for Defendants consented to this motion for leave to file a Third Amended Complaint in an email to undersigned counsel on December 10, 2013.

WHEREFORE, Plaintiff moves the Court to grant it leave to file its Third Amended Complaint as substantially shown attached hereto as Exhibit A.

Respectfully submitted,

Dated: December 11, 2013
