Allan:

United States Patent No. 8,599,001 (the '001 patent; copy attached) issued to Magna Electronics Inc. on December 3, 2013. Magna asserts that this patent is infringed, directly and indirectly, by the TRW S-Cam systems.

The '001 patent claims priority to patents that are in Civil Action No. 1:12-cv-00654. the "Magna I" lawsuit. Magna 2054

Would TRW object to Magna timely adding the '001 patent to the Magna I lawsuit?

Terry
