COUNT 1: Infringement of U.S. Patent No. 6,755,547

16. Plaintiff repeats and re-alleges each and every allegation of paragraphs 1-15 as though fully set forth herein.

17. On information and belief, Honda has been and now is directly infringing, and/or inducing infringement by others, and/or contributing to the infringement by others of the '547 Patent in the state of Texas, in this judicial district, and elsewhere within the United States by, among other things, making, using, offering for sale, selling, or importing vehicles (including but not limited to various model years of Honda's Civic Si model) having displays, (including but not limited to the 39541-TS8-A61 navigation/entertainment display) that infringe one or more claims of the '547 Patent, all to the injury of IDT. Honda is thus liable for infringement of the '547 Patent pursuant to 35 U.S.C. § 271.

18. As a result of Honda's infringement of the '547 Patent, Honda has damaged IDT. Honda is liable to IDT in an amount to be determined at trial that adequately compensates IDT for the infringement, which by law can be no less than a reasonable royalty.

19. IDT intends to seek discovery on the issue of willfulness and reserves the right to seek a willfulness finding relative to pre-suit infringement and/or post-suit infringement of the '547 Patent.

20. As a result of Honda's infringement of the '547 Patent, IDT has suffered and will continue to suffer loss and injury unless Honda is enjoined by this Court.

21. At least as early as its receipt of this Complaint, Honda has had knowledge of the '547 Patent and written notice of the infringement.
