## I. STATEMENT OF THE PRECISE RELIEF REQUESTED

Pursuant to 35 U.S.C. § 315(c) and 37 C.F.R. § 42.122(b), petitioner LG Electronics, Inc. (“Petitioner” or “LGE”) respectfully requests that it be joined as a party to the following pending (but not yet initiated) *inter partes* review proceeding concerning the same patent at issue here, U.S. Patent No. 7,537,370 (“the ‘370 Patent”): *LG Display Co., Ltd. v. Innovative Display Technologies LLC*, IPR2014-01096 (the “LGD IPR”). Petitioner has filed concurrently herewith a “Petition for *Inter Partes* Review of Claims 1, 4, 8, 13, 15, 27, 29, and 47 of U.S. Patent No. 7,537,370,” in which it asserts the same grounds of invalidity as have been raised in the LGD IPR. This Motion is timely under 37 C.F.R. §§ 42.22 and 42.122(b) because it is being submitted before the LG IPR has been instituted. *See Taiwan Semiconductor Mfg. Co. v. Zond, LLC*, IPR2014-00781, -00782, Paper 5 (May 29, 2014) at 3; 37 C.F.R. § 42.122(b).

Petitioner respectfully submits that joinder of these proceedings is appropriate. Joinder will not impact the Board’s ability to complete its review in the statutorily prescribed timeframe. Indeed, the invalidity grounds raised in this IPR are identical to the invalidity grounds raised in the LGD IPR. Accordingly, joinder will ensure the Board’s efficient and consistent resolution of the issues surrounding the invalidity of the ‘370 Patent. Moreover, joinder will not prejudice the LGD IPR parties because the scope and timing of the LGD IPR proceeding should remain the same. Finally, the Board can implement procedures that are designed to minimize

any impact to the schedule of the LGD IPR, by requiring, for example, consolidated filings and coordination among petitioners. For these reasons and the reasons outlined herein, joinder should be granted.
