Subject: Initial Conference

Dear Board:

Pursuant to the Board's July 30, 2015 Case Management and Scheduling Order (Paper 13) in IPR2015-00529, Patent Owner INO Therapeutics LLC requests an initial conference call to discuss scheduling and procedural posture of the IPR.

In particular, Patent Owner has a conflict with the March 24, 2016 date for oral argument and would also like to discuss the unique posture of this IPR given the Board's claim construction.

Due to commitments on other matters, Counsel for Patent Owner is not available for the initial conference call from August 26-28.

Respectfully submitted,

Dominick A. Conde
