1 EXAMINATION

2 BY MR. KEAN:

3 Q. Good morning. Will you state your name for the
4 record, please.

5 A. Karon MacLean.

6 Q. And, Dr. MacLean, have you been deposed before?

7 A. No, I have not.

8 Q. I'm going to give you just a few ground rules for
9 a deposition. I'll ask questions. Please provide verbal
10 answers. Obviously nodding is hard to get on the record,
11 so please provide verbal answers to help the court
12 reporter. Also I'll try not to talk over you, and if you
13 would extend the same courtesy to me that would make the
14 court reporter's job much easier.

15 We can take a break whenever you like so if you
16 want to take a break just let me know. We can do that any
17 time. It's not a marathon today.

18 If my question is unclear please ask for a
19 clarification. If you answer my question I will assume
20 that you understood it; is that fair?

21 A. Yes.

22 Q. Is there any reason why you'd be unable to
23 testify accurately and truthfully today?

24 A. Not that I can think of.

25 Q. Today's deposition is going to cover declarations

1 you prepared and signed in two inter partes review
2 proceedings. One is IPR2015-00229, and that involves US
3 patent number 7667692. And the second proceeding will be
4 discussing today is IPR2015-00230, and that concerns US
5 patent number 7463245.

6 If I refer to those two proceedings today as the
7 692 and the 245 proceeding will you understand what I'm
8 referring to?

9 A. Yes.

10 Q. And I'm going to hand you the declarations that
11 you've provided in these two proceedings.

12 First I'm going to hand you what has previously
13 been marked as Exhibit 2003, and this is the declaration
14 you provided in the 245 proceeding. And next I'm going to
15 hand you what has also been marked Exhibit 2003, but this
16 one is in the 692 proceeding. And this is the declaration
17 you provided in that proceeding.

18 Dr. MacLean, I believe you said you've not been
19 deposed before; is that right?

20 A. Correct.

21 Q. Have you been involved in any capacity in any
22 previous litigation?

23 A. No, I have not.

24 Q. Have you been involved in any capacity in any
25 previous patent office proceedings?

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
