Counsel yesterday asked you about your declarations that you submitted in the IPR proceedings that are related to the Jazz patents. Do you recall that? A. Yes. Q. Okay. Do you have any corrections to make to your declarations that you know of? And there are several declarations from yesterday, so feel free to take a look. A. If you don't mind. There's one thing that I believe is a typo. As we were looking at the '730 declaration yesterday, we were talking about Q. Can you tell me what page you're on? A. Yes. I'm talking about page 40. There's an instance in the claim chart that refers to the the video and transcript. And I refer in the middle of that claim chart the entry "Pharmacy staff receives faxed 	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	 correction. Q. Okay. So just so the record is clear, if you're citing PAR1006, V7 from time stamp 0 to 16 seconds, that citation should be changed to Video 8 for all applicable citations for all your declarations? A. Yes. Q. Okay. A. That's the only one that I that I noticed as a as a correction for my declarations. Q. Okay. Let's move on, Dr. Valuck. Counsel asked you yesterday whether you have been paid for your work on the six IPR declarations that are the subject of the deposition. Do you recall that? A. Yes. Q. You testified that you have not been compensated for your work. Do you recall that? A. Yes. A. I just haven't submitted invoices yet. Q. Are Par Pharmaceutical, Inc., and Amneal aware that you have not submitted any invoices for your work on the six IPR declarations?
