IPR2015-00574 (Patent 6,508,563 B2)

IPR2015-00575 (Patent 6,886,956 B2)

On July 21, 2015, a conference call was held in the captioned proceedings to discuss the parties' request for authorization to file a joint motion for termination and a joint motion to keep the settlement agreement confidential. The parties indicated their desire to file the motions when the related district court litigation has been dismissed. Because of the impending deadline of August 6, 2015 for the Board to issue decisions on institution in the instant proceedings, the panel discussed setting a reasonable deadline for the filing of the motions. The parties indicated that a deadline of July 30, 2015 was reasonable. The panel advised that if the parties foresee that the deadline will not be met, the parties shall seek a conference call with the panel.

ORDER

Accordingly, it is

ORDERED that we *authorize* the filing of a joint motion to terminate and joint motion to keep settlement agreement confidential; and

FURTHER ORDERED that the deadline to file the aforesaid motions is July 30, 2015.
