P R O C E E D I N G S

(9:00 a.m.)

JUDGE MEDLEY: Good morning. Please be seated.

This is the hearing for IPR2015-00606 and 799, between Petitioner, Ford and Patent Owner, Paice and Abell Foundation involving challenged claims of U.S. Patent 7,237,634.

Per the May 26th order, each party will have 45 minutes, the total time to present arguments. Petitioner, you will proceed first, present your case with respect to the challenged claims and grounds for which the Board instituted trial. Thereafter, Patent Owner will respond to Petitioner's presentation.

Petitioner, you may reserve rebuttal time. At this time we would like the parties to please introduce themselves, beginning with the Petitioner.

MS. SHAH: So for Petitioner Ford Motor Company I have -- I am Sangeeta Shah. I have with me at counsel table Andrew Turner. We also have Frank Angileri and John Rondini, also from the law firm of Brooks Kushman.

In addition to that, we have from the Dentons firm Lissi Mojica, and Kevin Greenleaf, as well as from Latham & Watkins Matt Moore and --

MR. BELL: Gabe Bell.

1 MS. SHAH: And Gabe Bell, and from Ford Motor
2 Company, David Kelley.

3 JUDGE MEDLEY: Okay. Thank you. And for
4 Patent Owner?

5 MR. GOETZ: Good morning, Your Honor. John
6 Goetz of Fish & Richardson on behalf of the Patent Owner. I
7 am backup counsel but I will be presenting during today's
8 hearing.

9 And with me is Brian Livedalen also of Fish, and
10 Ms. Kordziel also of Fish and Ms. Keenan of Paice and Abell
11 Foundation.

12 JUDGE MEDLEY: Thank you very much.

13 Okay. We're ready when Petitioner is ready.

14 MS. SHAH: I would like to reserve 20 minutes for
15 rebuttal.

16 JUDGE MEDLEY: Okay.

17 MS. SHAH: Good morning. We are going to be
18 covering the grounds of the second set of IPRs today. They are
19 IPRs 2015-00606 and 799. The shorthand for these IPRs is the
20 priority or the electrical IPRs.

21 Both -- we seem to be having a technical issue. All
22 right.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
