**PETITIONER'S UPDATED MANDATORY NOTICES  
(37 C.F.R. § 42.8)**

Petitioner US Endodontics, LLC (“Petitioner”) hereby submits these updated mandatory notices relating to this *Inter Partes* Review, pursuant to 37 C.F.R. § 42.8, to identify additional related matters. The updated mandatory notices are set forth below.

#### **A. Real Parties-in-Interest**

Petitioner US Endodontics, LLC; Petitioner’s two owners, Charles Goodis (“Dr. Goodis”) and Bobby Bennett; and Edge Endo, LLC and Guidance Endodontics, LLC, both owned by Dr. Goodis, are the real parties-in-interest.

#### **B. Related Matters**

U.S. Patent No. 8,727,773 (the “’773 patent”) is currently being asserted against Petitioner by licensee Dentsply International, Inc. (“Dentsply”) and its wholly owned subsidiary Tulsa Dental Products LLC (d/b/a Tulsa Dental Specialties) in pending litigation filed on June 24, 2014 in the U.S. District Court for the Eastern District of Tennessee, No. 14-CIV-196 (JRG). Patent Owner has also filed four patent applications that claim priority to the ’773 patent and so may be affected by a decision in this proceeding: 14/522,013 (filed October 23, 2014 and disclosed in Patent Owner’s mandatory notices); and 14/722,309, 14/722,390, and 14/722, 840 (all filed May 27, 2015). The ’773 patent is also the subject of another petition for *inter partes* review filed by Petitioner, IPR2015-01476, which challenges claims 1, 4, 5, 8-10, and 12. That petition is pending.

U.S. Patent No. 8,876,991, which claims priority to the '773 patent, is the subject of a petition for post-grant review filed by Petitioner, PGR2015-00019, which challenges claims 12-16 of that patent. That petition is pending.

Petitioner is not aware of any other pending administrative matter that would affect, or be affected by, a decision in this proceeding.
