ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

IPR2015-00650
Patent 8,137,757 B2

At the request of Petitioner, a telephone conference was held on May 9, 2016, among respective counsel for Petitioner and Patent Owner, and Judges Kokoski, Kalan, and Murphy. The purpose of the call was to address Petitioner's objections to a demonstrative exhibit (Ex. 2036, 18 ("Slide 18")) Patent Owner intends to use at the upcoming oral hearing in this proceeding.

Petitioner contends that Slide 18 includes a new argument regarding claim construction that Patent Owner did not present in a paper before the Board. Patent Owner disagrees. Upon consideration of the Petitioner's and Patent Owner's arguments, we determined that Patent Owner may use Slide 18 at the oral hearing. We advised the parties that, if necessary, we will determine whether Patent Owner raised a new argument for the first time at the hearing when we review all of the pertinent papers and prepare a final written decision. We may decline to consider any improper argument and related evidence at that time.
