March 14, 2005 08:02 AM Eastern Standard Time

SAN RAMON, Calif.--(<u>BUSINESS WIRE</u>)--March 14, 2005--AdMission Corpora provider of directional advertising solutions, today announced that its AdMis Directories(TM) was awarded the Gold Award in Marketing Innovation from the Yellow Pages Association(TM) (YPA). The Award was presented on Tuesday, March 8th at the Annual Industry Excellence Awards held as the final gala eventhe 2005 Power of the Yellow Pages annual conference and exhibition. The Marketing Innovation Award is described as "marketing strategies that attract advertisers and promote Yellow Pages advertisers to expand their current programs," and is judged by noted yellow pages industry leaders and YPA sta

"The Yellow Pages Association is pleased to have IPIX AdMission as a member, and we extend our sine congratulations on its Gold Award," said Christopher Bacey, director of business communications, Yello Pages Association. "Programs like IPIX AdMission's are a testimony to the best marketing innovations industry."

AdMission Directories is built on the IPIX AdMission enhanced media platform, and features tabbed, interactive display ads that showcase key business facts, company logos, product photos, coupons, e forms, web links, maps and more.

"Our mission is to provide local advertisers with the means to create rich, visual ads showcasing their businesses, products and services, resulting in more relevant searches for consumers, and qualified leadvertisers," said Sarah Pate, president and CEO, AdMission Corporation. "It is a great honor to receive recognition, from the YPA and esteemed industry leaders involved with the Awards, on the relevance of goal to the IYP industry."
