Jeff,
Does FOA Toy has more than 25 franchised stores?
BTW, attached is Rainbow Loom utility patent that just published on 7/16.
Thanks,
Choon.

Thanks Choon, its great talking to you! Let's keep our great discussions open.

Hey I had an idea, do you think FAO Toy Store is considered specialty store? We own FAO and though that maybe we could ship there??

Thank you,

Jeff

Hi Jeff,

I'm not able to get an agreement from Michael's regarding selling other bracelet making tools to another major retailer, because they are still committing to selling Rainbow Loom products only.

I don't see a value to meet right away.

Let's keep in touch.

Thanks,

Choon.
