Subject: RE: IPR2015-00902 and 903 order unsealing information subject to protective order

Dear PTAB,

Counsel for Patent Owner did not receive an E2E notification for Paper No. 102, Unsealing Information Subject to Protective Order. Furthermore, counsel for Patent Owner did not receive notifications for Paper Nos. 99, 100, and 101, the Board's orders relating to the Patent Owner and Petitioner's Renewed Motions to Seal. Counsel for Petitioner has also experienced technical issues with PTAB E2E and has been unable to confirm receipt of all relevant papers. As a result, neither party was aware that the requested documents had been placed under seal and accordingly that those documents could be expunged and absent any such a motion would be made public.

Accordingly, counsel for Petitioner and Patent Owner jointly requests an extension of the deadline to file a motion to expunge to Wednesday, September 21, and that the Board delay the effective date of its order of September 7 and keep Petitioner's confidential documents and Patent Owner's confidential documents under seal until the Board considers each party's motion to expunge.

Best regards,
Joshua L. Goldberg
