Mesh Seat & Back 80187

WAVE CHAIR FEATURES

Breathable Mesh Seat / Back
This option will keep you cool and dry all day. The mesh seat and back is pulled tight to provide support and comfort.

Upholstered Seat / Back
The Wave Chair is available with a padded upholstered seat and back. We have many fabric colors to choose from.

Continuous Contoured Rocker
Rocking in your seat just feels natural. The Wave Chair allows for you to rock back or forward, but will not tip back due to its continuous contoured rocker.

Pneumatic Seat Adjustment
From high to low, the pneumatic chair base will allow you to sit at your desired height level. This also allows the workstation to be raised and lowered.

Companion Stool / Workstation
The lower half of The Wave Chair can be a stool, or a separate workstation allowing you to rest a laptop or notebook. Also included is a pencil groove.

For more information on any of the products shown here, as well as any of our other product lines please contact a sales representative today.
