

# ULoft similarities to Sauder Education

April 2011

Sauder Education -  
Website

The screenshot shows a blue banner with the 'Trey' logo. Below it, the text 'Easy As...' is followed by three numbered steps: 1. A person releasing the self-locking latch on the chair's base. 2. A person lifting the rocker off the base. 3. A person setting the rocker on the floor. The 'Trey' logo is repeated at the end of the sequence.

Sauder Education -  
Brochures

**Transformation**  
Trey can be transformed from task chair to floor rocker and table/stool in three quick and easy steps. First, release the self-locking latch. Second, lift the rocker off of the base. Third, set the rocker on the floor. Easy as 1-2-Trey.
