 learn about your Specialist

Welcome to Celgene Patient Support[®]

At Celgene Patient Support[®], we care about making sure you get the answers you need on your treatment journey. We know starting on treatment can be difficult. Insurance can be hard to understand. And, you may need help paying for your Celgene medicine. Celgene Patient Support[®] can help you and your loved ones understand the programs and services available to you.

Enrollment is simple. When you enroll in Celgene Patient Support[®], you will speak to the same Specialist every time you call. You and your family can count on free, personal help with:

- [Finding financial help to pay for your Celgene medicine](#)
- [Understanding your insurance plan](#)
- [Locating help with travel costs to and from your doctor's office](#)

Co-pay responsibilities for eligible patients are reduced to **\$25 or less** for these Celgene medicines:

- REVLIMID[®] (lenalidomide)
- POMALYST[®] (pomalidomide)
- THALOMID[®] (thalidomide)
- ABRAXANE[®] for Injectable Suspension (paclitaxel protein-bound particles for injectable suspension) (albumin-bound)
- ISTODAX[®] (romidonein)

NPS EX. 2140
CFAD v. NPS
IPR2015-00990

available through the restricted distribution programs called REVLIMID REMS®, POMALYST REMS®, and THALOMID REMS®. Click [here](#) to learn more.

Please see full Prescribing Information, including Boxed WARNINGS, for [REVLIMID®](#), [POMALYST®](#), and [THALOMID®](#).

Please see full Prescribing Information for [ABRAXANE®](#) for Injectable Suspension (paclitaxel protein-bound particles for injectable suspension) (albumin-bound), including Boxed WARNING.
