**DECLARATION OF JOSEPH R. ROBINSON IN SUPPORT OF PATENT  
OWNER'S MOTION TO DEEM THE FILING OF PATENT OWNER'S  
EXHIBITS 2042-2055, 2057-2074, & 2076-2147 AS TIMELY**

NPS Ex. 2160  
CFAD v. NPS  
IPR2015-00990

I, Joseph R. Robinson, hereby declare:

1. I am an attorney at the law firm of Troutman Sanders LLP and am lead counsel of record for Patent Owner NPS Pharmaceuticals, Inc. (“NPS”). I make this Declaration in support of Patent Owner’s Motion to Deem the Filing of Patent Owner’s Exhibits 2042-2055, 2057-2074, & 2076-2147 as Timely in IPR2015-00990 and IPR2015-01093 based on my own personal knowledge and, if called as a witness, I could and would testify competently to the facts in this Declaration.

2. On January 21, 2016, I had a telephone conversation with Matthew Fedowitz – counsel of record for Petitioner – to discuss NPS’s intent to file a motion to deem certain exhibits as filed timely and to determine whether Petitioner would oppose such a motion.

3. During our conversation, Mr. Fedowitz agreed that Petitioner would not oppose this motion so long NPS provided Petitioner’s counsel with electronic and hard copies of all filings by January 22, 2016.

4. During our conversation, I also informed Mr. Fedowitz that if Petitioner perceived any prejudice by the late filing, NPS would agree to an equivalent extension for Petitioner’s Reply.

5. Mr. Fedowitz responded that such an extension might be requested in the future because Petitioner’s Reply is due the Monday after The 94th Annual

Dinner in Honor of the Federal Judiciary on Friday, April 1, 2016, at the Waldorf Astoria New York Hotel, which will be likely attended by many members of the judiciary (including member of the Board) and possibly Petitioner's counsel.

6. On January 21, 2016, I instructed Matthew Hu – a paralegal at Troutman Sanders LLP – to send electronic copies, via email, and hard copies, via overnight mail delivery, of all documents filed in IPR2015-00990 and IPR2015-01093 to counsel of record for Petitioner.

7. I declare under penalty of perjury that the statements made herein are true and correct.

Respectfully submitted,

Dated: January 29, 2016

/Joseph R. Robinson/
