I. Precise Relief Requested

Pursuant to 37 C.F.R. § 42.64, Patent Owner VirnetX Inc. (“Patent Owner”) moves to exclude certain exhibits submitted by The Mangrove Partners Master Fund, Ltd. and Apple Inc. (“Petitioners”). This motion is timely filed in accordance with the Board’s Scheduling Order (Paper No. 12). In particular, Patent Owner requests that Exhibits 1005, 1010, 1014, 1020, 1025, 1029, 1031-1033, 1037, and 1039-1042 be excluded from the record.

II. Legal Standard

The Federal Rules of Evidence apply to *inter partes* review proceedings. 37 C.F.R. § 42.62(a); Office Patent Trial Practice Guide, 77 Fed. Reg. 48758. Under Federal Rule of Evidence 402, “irrelevant evidence is not admissible.” Fed. R. Evid. 402. Also, unless an exception applies, an out of court statement offered for the truth of the matter asserted is inadmissible. Fed. R. Evid. 801, 802.

III. Exhibits 1005, 1010, 1014, 1020, 1025, 1029, 1031-1033, 1037, and 1039-1042 Should be Excluded from the Record

The Board should exclude Exhibits 1005, 1010, 1014, 1020, 1025, 1029, 1031-1033, 1037, and 1039-1042 because one or more of these exhibits includes evidence that is inadmissible hearsay or the evidence in these exhibits is irrelevant to the instant proceeding. Patent Owner timely objected to these exhibits stating the precise grounds under which these exhibits are inadmissible. Paper Nos. 14, 36, 54.

A. Exhibits 1025 and 1037 Constitute Inadmissible Hearsay

Exhibits 1025 and 1037 should be excluded as inadmissible hearsay. *See* Fed. R. Evid. 801-802. Patent Owner previously objected to these exhibits on this ground. Paper No. 14 at 1; Paper No. 54 at 1. Petitioners have failed to rebut Patent Owner's objections. As such, these exhibits should be excluded.

Specifically, absent an applicable exception, the rule against hearsay operates to prohibit out-of-court statements from being offered to prove the truth of the matter asserted. Fed. R. Evid. 801-802. Here, Petitioners submitted out-of-court statements, i.e., statements that were not made for purposes of the present proceeding, in an attempt to establish the meaning of disputed claim terms. *See* Paper No. 1 at 11; *see also* Paper 51 at 9. Because Petitioners rely on the alleged truth of the above out-of-court statements to attempt to establish the meaning of disputed claim terms, these out-of-court statements constitute hearsay and are inadmissible. The rules permit the introduction of former testimony, but only if the declarant is *unavailable*. Fed. R. Evid 804(b)(1); *cf. Conoco Inc. v. Dep't of Energy*, 99 F.3d 387, 393 (Fed. Cir. 1996) (concluding that the residual exception does not apply to evidence that nearly falls into a specific exception). Thus, the rules recognize that former statements carry credibility risks that must be guarded against.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
