**[Petitioner's Proposed Revisions of]
Patent Owner's Interrogatories**

MANGROVE EX. 1026

Patent Owner requests that Petitioner serve written responses to these interrogatories.

INSTRUCTIONS

In responding to these interrogatories, please comply with the instructions in the Office Patent Trial Practice Guide.

1. Please timely amend your responses if you learn that your response is incomplete or additional responsive information is found.
2. Whenever you are asked to identify a communication, please: (a) summarize the subject matter of the communication; (b) state the date and location of the communication; and (c) identify the parties to the communication.
3. If you object to a portion or an aspect of any interrogatory, state the grounds of your objection with specificity and respond to the remainder of the interrogatory.
4. If, in answering these interrogatories, you encounter any ambiguities when construing a request, instruction, or definition, your response shall set forth the matter deemed ambiguous and the construction used in responding.
5. For any information sought by an interrogatory that you withhold based upon a claim of privilege, please identify the ground of the asserted privilege and provide a privilege log according to the requirements of Federal Rule of Civil Procedure 26.
