#### FORWARD-LOOKING STATEMENTS

This communication contains "forward-looking statements." Such forward-looking statements may include, without limitation, statements about the proposed acquisition of Perrigo Company plc ("Perrigo") by Mylan N.V. ("Mylan") (the "Perrigo Proposal"), Mylan's acquisition (the "EPD Transaction") of Mylan Inc. and Abbott Laboratories' non-U.S. developed markets specialty and branded generics business (the "EPD Business"), the benefits and synergies of the Perrigo Proposal or EPD Transaction, future opportunities for Mylan, Perrigo, or the combined company and products, and any other statements regarding Mylan's, Perrigo's, or the combined company's future operations, anticipated business levels, future earnings, planned activities, anticipated growth, market opportunities, strategies, competition, and other expectations and targets for future periods. These may often be identified by the use of words such as "will," "may," "could," "should," "would," "project," "believe," "anticipate," "expect," "plan," "estimate," "forecast," "potential," "intend," "continue," "target" and variations of these words or comparable words. Because forward-looking statements inherently involve risks and uncertainties, actual future results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to: uncertainties related to the Perrigo Proposal, including as to the timing of the offer and compulsory acquisition, whether Perrigo will cooperate with Mylan and whether Mylan will be able to consummate the offer and compulsory acquisition, whether Mylan shareholders will provide the requisite approvals for the Perrigo Proposal, the possibility that competing offers will be made, the possibility that the conditions to the consummation of the offer will not be satisfied, and the possibility that Mylan will be unable to obtain regulatory approvals for the offer and compulsory acquisition or be required, as a condition to obtaining regulatory approvals, to accept conditions that could reduce the anticipated benefits of the offer and compulsory acquisition; the ability to meet expectations regarding the accounting and tax treatments of a transaction relating to the Perrigo Proposal and the EPD Transaction; changes in relevant tax and other laws, including but not limited to changes in healthcare and pharmaceutical laws and regulations in the U.S. and abroad; the integration of Perrigo and the EPD Business being more difficult, time-consuming, or costly than expected; operating costs, customer loss, and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers, clients, or suppliers) being greater than expected following the Perrigo Proposal and the EPD Transaction; the retention of certain key employees of Perrigo and the EPD Business being difficult; the possibility that Mylan may be unable to achieve expected synergies and operating efficiencies in connection with the Perrigo Proposal and the EPD Transaction within the expected time-frames or at all and to successfully integrate Perrigo and the EPD Business; expected or targeted future financial and operating performance and results; the capacity to bring new products to market, including but not limited to where Mylan uses its business judgment and decides to manufacture, market, and/or sell products, directly or through third parties, notwithstanding the fact that allegations of patent infringement(s) have not been finally resolved by the courts (i.e., an "at-risk launch"); any regulatory, legal, or other impediments to our ability to bring new products to market; success of clinical trials and our ability to execute on new product opportunities; the scope, timing, and outcome of any ongoing legal proceedings and the impact of any such proceedings on financial condition, results of operations, and/or cash flows; the ability to protect intellectual property and preserve intellectual property rights; the effect of any changes in customer and supplier relationships and customer purchasing patterns; the ability to attract and retain key personnel; changes in third-party relationships; the impact of competition; changes in the economic and financial conditions of the businesses of Mylan, Perrigo, or the combined company; the inherent challenges, risks, and costs in identifying, acquiring, and integrating complementary or strategic acquisitions of other companies, products, or assets and in achieving anticipated synergies; uncertainties and matters beyond the control of management; and inherent uncertainties involved in the estimates and judgments used in the preparation of financial statements, and the providing of estimates of financial measures, in accordance with accounting principles generally accepted in the United States of America ("GAAP") and related standards or on an adjusted basis. For more detailed information on the risks and uncertainties associated with Mylan's business activities, see the risks described in Mylan's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2015 and June 30, 2015 and our other filings with the Securities and Exchange Commission ("SEC"). These risks, as well as other risks associated with Mylan, Perrigo, and the combined company are also more fully discussed in the Registration Statement on Form S-4 (that includes an offer to exchange/prospectus) that Mylan filed with the SEC on May 5, 2015 (which Registration Statement was amended on June 19, 2015, July 16, 2015, and August 6,

2015 and has not yet been declared effective, the "Registration Statement") and the definitive proxy statement on Schedule 14A that Mylan filed with the SEC on July 28, 2015 (the "Proxy Statement") in connection with the Perrigo Proposal. You can access Mylan's filings with the SEC through the SEC website at [www.sec.gov](http://www.sec.gov), and Mylan strongly encourages you to do so. Except as required by applicable law, Mylan undertakes no obligation to update any statements herein for revisions or changes after the date of this communication.

**RESPONSIBILITY STATEMENT**

The directors of Mylan accept responsibility for the information contained in this communication. To the best of the knowledge and belief of the directors (who have taken all reasonable care to ensure that such is the case) the information contained in this communication is in accordance with the facts and does not omit anything likely to affect the import of such information.

**DEALING DISCLOSURE REQUIREMENTS**

Under the provisions of Rule 8.3 of the Irish Takeover Panel Act, 1997, Takeover Rules 2013 (the "Irish Takeover Rules"), if any person is, or becomes, 'interested' (directly or indirectly) in, 1% or more of any class of 'relevant securities' of Perrigo or Mylan, all 'dealings' in any 'relevant securities' of Perrigo or Mylan (including by means of an option in respect of, or a derivative referenced to, any such 'relevant securities') must be publicly disclosed by not later than 3:30 pm (New York time) on the 'business' day following the date of the relevant transaction. This requirement will continue until the date on which the 'offer period' ends. If two or more persons co-operate on the basis of any agreement, either express or tacit, either oral or written, to acquire an 'interest' in 'relevant securities' of Perrigo or Mylan, they will be deemed to be a single person for the purpose of Rule 8.3 of the Irish Takeover Rules.

Under the provisions of Rule 8.1 of the Irish Takeover Rules, all 'dealings' in 'relevant securities' of Perrigo by Mylan or 'relevant securities' of Mylan by Perrigo, or by any party acting in concert with either of them, must also be disclosed by no later than 12 noon (New York time) on the 'business' day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose 'relevant securities' 'dealings' should be disclosed, can be found on the Irish Takeover Panel's website at [www.irishtakeoverpanel.ie](http://www.irishtakeoverpanel.ie).

Interests in securities arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an 'interest' by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Irish Takeover Rules, which can also be found on the Irish Takeover Panel's website. If you are in any doubt as to whether or not you are required to disclose a dealing under Rule 8, please consult the Irish Takeover Panel's website at [www.irishtakeoverpanel.ie](http://www.irishtakeoverpanel.ie) or contact the Irish Takeover Panel on telephone number +353 1 678 9020 or fax number +353 1 678 9289.

Goldman Sachs, which is authorized by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority in the United Kingdom, is acting for Mylan and no one else in connection with the Perrigo Proposal and will not be responsible to anyone other than Mylan for providing the protections afforded to clients of Goldman Sachs, or for giving advice in connection with the Perrigo Proposal or any matter referred to herein.

Goldman Sachs does not accept any responsibility whatsoever for the contents of this communication or for any statement made or purported to be made by them or on their behalf in connection with the offer. Goldman Sachs accordingly disclaims all and any liability whether arising in tort, contract or otherwise which it might otherwise have in respect of this communication or any such statement.

**NON-GAAP FINANCIAL MEASURES**

This communication includes the presentation and discussion of certain financial information that differs from what is reported under GAAP. These non-GAAP financial measures, including, but not limited to, adjusted diluted EPS, adjusted cash provided by operating activities, adjusted gross profit, adjusted gross margins, adjusted earnings from operations, adjusted net earnings attributable to Mylan, constant currency total revenue, constant currency third party net sales, EBITDA, adjusted EBITDA, debt to adjusted EBITDA leverage, and adjusted free cash flow, are presented in order to supplement investors' and other readers' understanding and assessment of Mylan's financial performance. Management uses these measures internally for forecasting, budgeting and measuring its operating performance. In addition, primarily due to acquisitions, Mylan believes that an evaluation of its ongoing operations (and comparisons of its current operations with historical and future operations) would be difficult if the disclosure of its financial results were limited to financial measures prepared only in accordance with GAAP. In addition, Mylan believes that including EBITDA and supplemental adjustments applied in presenting adjusted EBITDA pursuant to our debt agreements is appropriate to provide additional information to investors to demonstrate Mylan's ability to comply with financial debt covenants (which are calculated using a measure similar to adjusted EBITDA) and assess Mylan's ability to incur additional indebtedness. We also report sales performance using the non-GAAP financial measure of "constant currency" total revenues and third party net sales. This measure provides information on the change in net sales assuming that foreign currency exchange rates had not changed between the prior and current period. The comparisons presented as constant currency rates reflect comparative local currency sales at the prior year's foreign exchange rates. We routinely evaluate our third party net sales performance at constant currency so that sales results can be viewed without the impact of foreign currency exchange rates, thereby facilitating a period-to-period comparison of our operational activities, and believe that this presentation also provides useful information to investors for the same reason. Investors and other readers are encouraged to review the related GAAP financial measures and the reconciliations of the non-GAAP measures to their most directly comparable GAAP measures, and investors and other readers should consider non-GAAP measures only as supplements to, not as substitutes for or as superior measures to, the measures of financial performance prepared in accordance with GAAP.

**NO PROFIT FORECAST / ASSET VALUATIONS**

To the extent that any Mylan quarterly results and/or the calendar year 2015 guidance contained or summarized in this communication constitute a profit forecast for the purposes of Rule 28 of the Irish Takeover Rules, such results and/or guidance will (unless the Irish Takeover Panel consents otherwise) be reported on in accordance with that rule at the appropriate time. Except as described in the previous sentence, no statement in this communication is intended to constitute a profit forecast for any period nor should any statements be interpreted to mean that earnings or earnings per share will necessarily be greater or lesser than those for the relevant preceding financial periods for Mylan or Perrigo as appropriate. No statement in this communication constitutes an asset valuation.
