DECLARATION OF TIMOTHY BUTLER

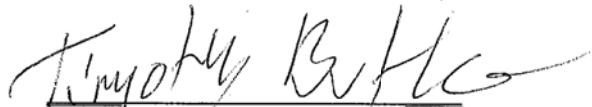

I, Timothy Butler, hereby declare as follows:

1. I am a librarian at the law firm of Kenyon & Kenyon LLP. I have personal knowledge of the facts set forth herein and if called upon to testify to them I can do so.

2. On November 25, 2015, I searched in the Lexis news database on the Lexis Advance research platform. I used the terms "Intel introduces the Pentium processor with mmx technology." I then limited the results to January of 1997. Exhibit 1053 is a true and correct copy of an article contained in the results of that search.

3. I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true. I further declare that these statements were made with the knowledge that willful false statements are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

Respectfully submitted,

  
Timothy Butler

Dated December 7, 2015
