Case IPR2015-01093

Patent 7,056,886

NOTICE OF STIPULATION REGARDING SCHEDULING ORDER

Petitioner submits this paper on behalf of both parties to give the Board notice that the parties have stipulated to a change in the current schedule. The Scheduling Order permits the parties to “stipulate to different dates for DUE DATES 1 through 5 (earlier or later, but no later than DUE DATE 6)” and directs the parties to promptly file a notice of such stipulation “specifically identifying the changed due dates.” Paper 27, p. 2.

The parties stipulate to the following changes to the schedule: Due Date 5 is changed to allow Petitioner’s response to observations on cross-examination to be filed on May 31, 2016.

The parties note that this change does not affect the filing of the response to Patent Owner’s Motion to Exclude the Declaration of Anthony Palmieri III. That response was filed on May 27, 2016. A reply on that motion remains due on Due Date 6.

All other dates in the Scheduling Order remain unchanged.

Respectfully submitted,

Dated May 31, 2016
