Counsel,

No conference call is necessary as the parties have submitted sufficient information for the Board to decide the issue presented. Based on the information presented, the Board authorizes Petitioner to submit, in each proceeding, 30 minutes of video excerpts from the deposition of Dr. Frau.

The parties are reminded that emails to the Board requesting conference calls should copy the other party to the proceeding, indicate generally the relief being requested or the subject matter of the conference call, state whether the opposing party opposes the request, and include times when all parties are available. Unless otherwise authorized, do not include attachments in an email and do not include substantive arguments.

Dear PTAB:

Counsel for Patent Owner requested that Petitioner attach a copy of the parties' correspondence to its email below so that the Board could fully understand the parties' dispute. Counsel for Petitioner refused that request. Accordingly, attached is the correspondence to provide context for tomorrow's call.

Best regards,
