Counsel,

Attached please find Patent Owner's Objections to Evidence Submitted with CFAD's Replies, in the above-referenced IPRs.

We note that the date for CFAD to serve supplemental evidence in response to Patent Owner's objections is June 20, which is after the June 16 deadline for motions to exclude. As such, please let us know if CFAD is agreeable to extending the deadline for the parties' motions to exclude from June 16 to June 23.

Further, Celgene has noted that CFAD's replies exceed the proper scope of a reply under 37 C.F.R. § 42.23(b), as described in the attached objections. CFAD's replies also exceed the word limit set forth in 37 C.F.R. 42.24. Celgene intends to request a conference call with the Board to discuss these issues. Please provide CFAD's availability by no later than close of business on June 8.

Thanks,
