

Paper No. _____
Filed: November 30, 2015

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

COALITION FOR AFFORDABLE DRUGS VI LLC

Petitioner,

v.

CELGENE CORPORATION

Patent Owner

Case IPR2015-01103

Patent No. 6,315,720

**PETITIONER'S UNOPPOSED MOTION FOR *PRO HAC VICE*
ADMISSION OF PAUL J. SKIERMONT AS BACK-UP COUNSEL**

Pursuant to 37 C.F.R. § 42.10(c), Petitioner Coalition for Affordable Drugs VI LLC (“CFAD”) hereby respectfully requests that the Board grant admission *pro hac vice* to Mr. Paul J. Skiermont to act as back-up counsel in this proceeding.

I. Introduction and Background

Counsel for CFAD consulted with counsel for Patent Owner, Celgene Corporation (“Celgene”), and Celgene agreed it would not oppose the present motion for *pro hac vice* admission of Mr. Skiermont.

On October 27, 2015, the Patent Trial and Appeal Board (the “Board”) instituted *inter partes* review of Celgene’s U.S. Patent No. 6,315,720. (See Paper 21.) The Board had previously authorized the parties to file motions for *pro hac vice* admission under 37 C.F.R. § 42.10(c). (See Paper 3 at 2.) Therefore, the present motion is proper at this time.

II. Statement of Facts Showing Good Cause for the Present Motion

37 C.F.R. § 42.10(c) states that:

“The Board may recognize counsel *pro hac vice* during a proceeding upon a showing of good cause, subject to the condition that lead counsel be a registered practitioner and to any other conditions as the Board may impose. For example, where the lead counsel is a registered practitioner, a motion to appear *pro hac vice* by counsel who is not a registered practitioner may be granted upon showing that counsel is an experienced litigating attorney and has an established familiarity with the subject matter at issue in the proceeding.”

As explained and attested to in the accompanying Declaration of Paul J. Skiermont, Mr. Skiermont has an established familiarity of the subject matter at issue in this *inter partes* review. (Ex. 1077 ¶¶ 11-18.) Mr. Skiermont is an experienced patent litigation attorney with specific experience serving as lead or co-lead trial counsel in cases related to pharmaceutical patents, and has received awards and recognition related to this work. (Ex. 1077 ¶¶ 9–10.)

Mr. Skiermont is a Member in good standing with the Illinois (2002) and Texas (2002) State Bars and is admitted to practice in numerous Federal Courts, including the U.S. Courts of Appeals for the Federal and Eighth Circuits; the U.S. District Courts for the Northern, Eastern, and Western District of Texas; the U.S. District Court for the Northern District of Illinois; the U.S. District Court for the District of Nebraska; the U.S. District Court for the District of Colorado; the U.S. District Court for the Eastern District of Michigan; the U.S. District Court for the Southern District of Ohio; and the U.S. District Court for the Northern District of New York. (*Id.* ¶ 1.)

Mr. Skiermont has applied to appear *pro hac vice* before the Office in one other proceeding within the last three years. (*Id.* ¶ 2.) On March 3, 2015, Mr. Skiermont applied to appear *pro hac vice* in IPR2015-00720, and that application was granted on August 21, 2015 (*see* IPR2015-00720, Paper 13). (Ex. 1077 ¶ 2.) Concurrently with the motion, Petitioner is also filing motions for *pro hac vice*

admission for Mr. Skiermont in IPR2015-01092, IPR2015-01096, and IPR2015-01102.

Mr. Skiermont has never been disbarred or suspended from practice before any court or administrative body. (*Id.* ¶ 3.)

Mr. Skiermont has never had any sanctions or contempt citations imposed on him from any court or administrative body. (*Id.* ¶ 4.)

Mr. Skiermont has never been denied any application for admission to practice before any court or administrative body. (*Id.* ¶ 5.)

CFAD's lead counsel for this proceeding, Ms. Sarah Spires, is a registered patent practitioner. (*Id.* ¶ 8.)

Mr. Skiermont has established deep familiarity with the subject matter at issue in this proceeding. (*Id.* ¶¶ 11–18.) Mr. Skiermont has read and analyzed the Petition and supporting materials, and has read and analyzed U.S. Patent No. 6,315,720 ('720 Patent) as well as its prosecution history. (*Id.* ¶¶ 12–13.) Mr. Skiermont is the attorney from Skiermont Puckett LLP that led and attended all meetings between his firm and CFAD related to the Petition at issue in this proceeding (*id.* ¶ 14), is the attorney from Skiermont Puckett LLP that conducted his firm's analysis of the Grounds for invalidity under 35 U.S.C. §§ 102 and 103 for the Petition (*id.* ¶ 15), is the sole attorney from Skiermont Puckett LLP that directs and supervises the work conducted by the lead and back-up counsel to the

Petition, all of whom are registered patent practitioners (*id.* ¶ 16), and is the attorney that retained and worked with the expert witness (Jeffrey Fudin, R.Ph., B.S., Pharm.D., DAAPM, FCCP, FASHP) that submitted a declaration in support of the Petition (*id.* ¶ 17).

Mr. Skiermont has also reviewed and analyzed the patent and file history of U.S Patent No. 6,045,501 ('501 Patent), which shares a common owner and shares subject matter similar to the '720 Patent. (*Id.* ¶ 18.) CFAD filed an IPR Petition challenging the '501 Patent (*see* IPR2015-01092). (*Id.*) Mr. Skiermont personally supervised, reviewed and participated in drafting the '501 IPR Petition, and has read and analyzed the prior art references in the '501 IPR Petition. (*Id.*)

Finally, Mr. Skiermont has read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in 37 C.F.R. § 42 *et. seq.*, and has agreed to be subject to the USPTO Rules of Professional Responsibility set forth in 37 C.F.R. 11.101 *et. seq.*, and disciplinary jurisdiction under 37 C.F.R. 11.19(a). (*Id.* ¶¶ 6–7.)

III. Statement of Relief Requested

For the foregoing reasons, Petitioner respectfully requests that the Board grant admission *pro hac vice* to Mr. Skiermont as back-up counsel.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
