DEPOSITION OF OLIVIA SCHMIDT
Friday, April 29, 2016
Iselin, New Jersey
11:05 a.m.

Reported by:

Jennifer Ocampo-Guzman, CRR, CLR

Job NO.: 16159

Page 2	Page 4
Page 2 1 2 3 4 5 6 7 April 29, 2016 11:05 a.m. 8 9 10 HIGHLY CONFIDENTIAL-ATTORNEYS' EYES 11 ONLY Deposition of OLIVIA SCHMIDT, held 12 at the Apa Hotel Woodbridge, 120 Wood 13 Avenue, South, Iselin, New Jersey, 14 pursuant to notice, before Jennifer 15 Ocampo-Guzman, a Certified Real-Time 16 Shorthand Reporter and a Notary Public 17 of the State of New Jersey. 18 19 20 21 22 23 24 25	1 OLIVIA SCHMIDT, called as a 2 witness, having been duly sworn, was examined 3 and testified as follows: 4 EXAMINATION BY 5 MR. PFEFFER: 6 Q. Can you please state your name for 7 the record. 8 A. My name is Oliva Schmidt. 9 Q. And have you ever been deposed 10 before? 11 A. Yes. 12 Q. How many times? 13 A. One. 14 Q. So just to go over some basic 15 rules, I'm going to ask you questions. I'll 16 ask you to try to answer them verbally so she 17 can get it recorded down. If you don't 18 understand a question, feel free to ask me to 19 repeat it or rephrase it. 20 Other than that, if you ever have a 21 need to take a break, let me know. The only 22 thing I would ask is not do it while a 23 question is pending, and maybe one follow-up 24 question, and then we can take a break if you 25 need one.
A P P E A R A N C E S: Behalf of the Patent Owner: ORRICK HERRINGTON & SUTCLIFFE LLP 51 West 52nd Street New York, New York 10019 (212) 506-3594 BY: A. ANTONY PFEFFER, ESQ. apfeffer@orrick.com CATRINA WANG, ESQ. catrina.wang@orrick.com Attorneys for BASF: WEIL, GOTSHAL & MANGES, LLP 1300 Eye Street NW, Suite 900 Washington, DC 20005-3314 (202) 682-7103 BY: ANISH DESAI, ESQ. anish.desai@weil.com ALSO PRESENT: ANNA-LISA GALLO, ESQ. (BASF)	Do you understand that? A. Yes. Q. You're nodding your head. The first rule was to verbally respond. And you understand that you are here to testify regarding a declaration you submitted for use in four separate inter parte review proceedings in the patent office? A. Yes. Q. And it relates to two patents owned by BASF, the '662 and the '203 patent; is that correct? A. Correct. Q. I'm going to MR. PFEFFER: I'm doing to place before the witness Exhibit 2034. (Discussion off the record.) Q. Is this the declaration that you submitted in these two IPRs? A. Yes. Q. Sorry. Four IPRs. And when was the last time you saw this declaration? A. This morning.

2 (Pages 2 to 5)

Page 6 Page 8 1 Q. This morning. 1 2 Did you do anything to prepare for 2 3 your deposition today? 3 4 4 A. Yes. 5 5 Q. What did you do? 6 6 A. I met with my legal counsel. 7 7 Q. Was that today or yesterday? 8 8 A. This morning and earlier in the 9 9 week. 10 10 Q. About how many hours did you spend 11 11 with your legal counsel preparing for today's 12 12 deposition? Q. Now, in this declaration that you 13 13 A. Roughly two hours. submitted, you don't discuss any technical 14 details regarding the --14 Q. How long have you been at BASF? 15 A. Over 20 years. 15 MR. PFEFFER: Let me back up. 16 Q. And when did you start working in 16 Q. You understand that your 17 17 the mobile emissions catalyst group? declaration is, relates to a certain copper 18 A. July 2015. 18 CHA catalyst; is that correct? 19 19 A. Copper chabazite, correct. Q. And prior to July 2015, you had 20 20 worked in the pigment area and in the Q. The CHA stands for chabazite? 21 absorbant catalyst area; is that correct? 21 A. Chabazite, yes. 22 Q. So when you refer to these 22 A. Correct. 23 23 Q. And those were the primary areas catalysts, you refer to them as copper 24 you had worked in prior to July 2015 while at 24 chabazite normally? 25 BASF? 25 A. Correct. Page 7 Page 9 1 A. I worked in absorbants group, 1 Q. I will try to use that terminology 2 2 pigments group, and the pharma ingredient just so we're on the same frame. 3 3 And in your declaration, you don't solutions group. 4 4 provide any details on the technical aspects Q. For your formal education, has any 5 5 of that been in the technical area, or was of the copper chabazite catalyst; is that 6 6 that all in business? correct? 7 7 A. My vocation has been in business. A. Correct. 8 8 Q. And what are your responsibilities Q. You rely on the --9 9 at BASF as the vice president of global (Discussion off the record.) 10 strategic markets for mobile emissions 10 Q. You rely on the declaration of Dr. 11 catalysts? 11 Moweeny (phonetic) with regard to the 12 A. I'm responsible for marketing, 12 technical aspects of the BASF's copper 13 product management, pricing, program 13 chabazite catalyst; is that correct? 14 management, innovation, on a global basis, 14 A. Correct. 15 that looks into how to increase our market 15 (Discussion off the record.) 16 share in the mobile emissions category. 16 Q. Among the people at BASF, you 17 17 Q. And do you have responsibility for wouldn't consider yourself to be a technical 18 18 sales as well, or is that a different expert with respect to the BASF copper 19 19 function at BASF? chabazite catalyst; is that correct? 20 20 A. That reports to a different A. Correct. 21 function within BASF. It reports to the vice 21 Q. Also, in your declaration, you 22 22 don't discuss anything of the patents that presidents of regional business management. 23 23 are involved in these IPRs; is that correct? 24 2.4 A. Correct. 25 25 Q. You don't compare any of the claims

Page 10 Page 12 1 of these patents to the copper chabazite 1 make up a system. And one of the components 2 catalyst products of BASF in your 2 is the SCR using copper chabazite. 3 declarations; is that correct? 3 Q. Do you sell the system itself or do 4 4 you just sell the components that will A. Correct. 5 5 Q. In your declaration, you discuss eventually make up a system? 6 6 the global diesel SCR market; is that A. Sometimes we sell the whole system, 7 7 correct? depending on what the OEM requires, and 8 8 A. Yes. sometimes we sell specific components to make 9 9 O. What is the SCR market? the system. 10 10 A. Can you clarify? Q. You mentioned OEM. That's the Q. You used the phrase. I just want 11 11 original equipment manufacturers? 12 12 to know in your declaration, when you discuss A. Correct. The automotive and truck 13 13 the -- for example, in paragraph 6, you manufacturers or the engine producers. 14 14 discuss the global diesel SCR market. 15 A. Yes. 15 16 Q. And then below you have a chart 16 17 17 that has a title, "Total Global SCR Market." 18 18 I just want to understand what you mean by 19 19 the "Total Global SCR Market" in this 20 20 declaration; what is that supposed to entail 21 and not to entail? 21 22 A. The global collective catalytic 22 23 reduction market is a component that is used 23 24 in diesel engines to, part of a system to 24 MR. DESAI: So we will just go 25 meet, as part of meeting the regulation 25 ahead and mark this transcript "Highly Page 11 Page 13 standards for emissions control. 1 1 Confidential, Attorneys' Eyes Only." 2 Q. You said as part of a system. What 2 MR. PFEFFER: Okay. 3 3 Q. And when you're talking about this is it part of a system, what system is it a 4 4 part of? market here, is that limited to the mobile 5 5 A. Well, SCR is a component, and market, or does that include stationary 6 6 depending on the requirements of the engine, diesel plants as well, diesel facilities? 7 7 A. Mobile. you may have more components that make a 8 8 system. You may have a diesel oxidation Q. And the copper chabazite catalysts 9 9 component and lean trap -- lean NOx trap are a type of zeolite catalyst, correct? 10 component. You have an SCR. You may have an 10 A. Copper chabazite is an ingredient, 11 SCR and a filter. It's all part of a system 11 a key ingredient to make the SCR catalyst. 12 that is required to meet, depending on the 12 Q. But the copper chabazite is a 13 regulation -- on the requirements of the 13 zeolite; is that correct? 14 engine, to meet the regulation standards. 14 A. Yes, it's a type of zeolite. 1.5 15 Q. And does BASF just sell the Q. Other than the BASF copper 16 16 catalyst alone or does it also sell the chabazite catalyst, what other catalysts does 17 17 catalyst as part of larger systems? BASF compete with in the SCR market? 18 18 MR. DESAI: Objection, vague. MR. DESAI: Objection, vague. 19 19 Q. The copper chabazite catalyst that A. Yeah, can you clarify? 20 20 Q. So currently BASF, you market BASF sells, does it sell just the copper 21 21 chabazite catalyst alone or does it also sell BASF's copper chabazite catalyst for use in 22 22 the copper chabazite catalyst as part of a the global diesel SCR market; is that 23 23 larger system with other components? correct? 24 2.4 A. Uh-huh. Yes. MR. DESAI: Same objection. 25 25 A. We sell different components that Q. And other people also sell products

*	Page 14		Page 16
1	in that same global diesel SCR market,	1	agreement I mean there is obviously a
2	correct?	2	license agreement between Johnson
3	A. Correct.	3	Matthey and Umicore, the existence of
4	Q. And those product are not BASF	4	that agreement is public, but the
5	copper chabazite catalysts, correct?	5	details are not. And so we will just
6	A. Correct.	6	step out for a second.
7	Q. And you, as part of your marketing,	7	(Discussion off the record.)
8	are aware of the other products that you're	8	MR. DESAI: So why don't you ask
9	competing against, correct?	9	your last question again, and I think we
10	A. Yes.	10	will be able to get an answer then that
11	Q. And what are those other products?	11	hopefully will satisfy you without
12	A. You have Vanadium, SCR, and you	12	disclosing information that we're not
13	have	13	allowed.
14	Q. Vanadium?	14	
15	A. Vanadium, SCR, and then you also	15	
16	have iron BIDA zeolite zeolites, sorry.	16	
17	Q. In your declaration, you also talk	17	
18	about sales by BASF licensees; is that	18	
19	correct?	19	
20	A. Yes.	20	
21	Q. And there you're referring to	21	Q. So earlier you had stated that one
22	Johnson Matthey; is that correct?	22	of the responsibilities of the global
23	A. We refer them as BASF licensees.	23	strategic marketing team was to market mobile
24	Q. I think it's footnote 1 on page 2.	24	emissions catalyst products; is that correct?
25	A. Uh-huh, yes.	25	A. Correct.
	,		
	Page 15		Page 17
1		1	Q. And you place advertisements as
2		2	part of that marketing effort?
3		3	A. Yes, from time to time.
4		4	Q. Do you or somebody else at BASF
5		5	directly contact customers, potential
6		6	customers regarding the copper chabazite
7	Q. And the copper chabazite catalyst	7	catalysts products?
8	that Johnson Matthey sells, it makes it	8	A. Contacting customers or selling or
9	makes itself, correct?	9	advertisement of our products, it's part of
10	A. Can you repeat	10	our normal course of function by sales.
11	Q. Johnson Matthey isn't selling a	11	Q. So that's part of the separate
12	BASF copper chabazite product manufactured by	12	sales apparatus at BASF, that is not part of
13	BASF. Johnson Matthey, as your licensee,	13	marketing; is that correct?
14	manufactures its own copper chabazite	14	A. Correct.
15	catalyst that it sells; is that correct?	15	Q. Are you involved in determining the
16	A. I don't know if I can disclose	16	pricing of the copper chabazite catalyst
17	details of the agreement that we have with	17	products?
18	Johnson Matthey. More to say that we have a	18	A. Yes, together with sales, my team
19	license agreement.	19	is involved in pricing the product and
20	MR. DESAI: Can I confer with the	20	determining the costs.
21	witness for a moment?	21	
22	MR. PFEFFER: Sure. To find out in	22	
23	terms of the scope of what she can and	23	
24	can't disclose?	24	
25	MR. DESAI: Yes. There is an	25

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
