ORDER  
Trial Hearing  
*37 C.F.R. § 42.70*

Microsoft Corporation and Microsoft Mobile Inc. (collectively, “Petitioner”) and Global Touch Solutions, LLC (“Patent Owner”) each request an oral hearing in this proceeding pursuant to 37 C.F.R. § 42.70. Papers 19, 20. We grant the requests. A hearing will commence at **1:00 PM**

IPR2015-01151  
Patent 8,288,952 B2

**Eastern Time on Thursday, August 4, 2016**, on the ninth floor of Madison Building East, 600 Dulany Street, Alexandria, VA.

Oral hearing for this proceeding will be consolidated with the oral hearing for related proceedings. Specifically, the consolidated oral hearing shall include argument related to the following proceedings: IPR2015-01147, IPR2015-01148, IPR2015-01149, IPR2015-01150, and IPR2015-01151. Each party will have 90 minutes of argument time. Each party may determine which of its respective counsel will present its arguments.

Petitioner bears the ultimate burden of persuasion that the claims at issue are unpatentable. Therefore, Petitioner will open the hearing by presenting its case regarding the challenged claims for which the Board instituted trial. Patent Owner then will have the opportunity to respond to Petitioner's arguments and argue its pending Motions to Exclude, if any. Petitioner then may use any time it has reserved for rebuttal to respond to arguments presented by Patent Owner. If Patent Owner argues Motions to Exclude, Patent Owner may reserve rebuttal time, which shall be used only to reply to Petitioner's arguments responding to such motions.

The Board will provide a court reporter, and the transcript shall constitute the official record of the hearing. The hearing will be open to the public for in-person attendance that will be accommodated on a first-come, first-served basis.

Pursuant to 37 C.F.R. § 42.70(b), the parties must serve demonstrative exhibits, if any, on opposing counsel at least seven (7) business days before the hearing. The parties are directed to *St. Jude Medical, Cardiology Division, Inc. v. The Board of Regents of the University of Michigan*, IPR2013-00041, Paper 65 (PTAB Jan. 27, 2014), regarding the appropriate

content of demonstrative exhibits. The Board expects the parties will meet and confer in good faith to resolve any objections to demonstrative exhibits, but if such objections cannot be resolved, the parties must file any objections to the demonstratives with the Board at least three (3) business days before the hearing. The objections shall identify with particularity which portions of the demonstratives are subject to objection, and include a short (no more than one sentence) statement of the reason for each objection. No argument or further explanation is permitted. The Board will consider the objections and schedule a conference if deemed necessary. Otherwise, the Board will reserve ruling on the objections. Any objection to the demonstrative exhibits that is not timely presented will be considered waived.

The parties must file any demonstrative exhibits with the Board no later than three (3) business days before the hearing. The parties shall provide a hard copy of the demonstratives to the court reporter at the hearing. At least one member of the panel will be attending the hearing remotely, by video and audio link.

The parties are reminded that, during the hearing, the presenter must identify clearly each demonstrative exhibit (e.g., by referencing a specific slide or screen number) to ensure clarity and accuracy of the reporter's transcript and to ensure that a remote judge can follow the argument, even if the video connection is disrupted.

Questions regarding specific audio-visual equipment should be directed to the Board at (571) 272-9797. Requests for audio-visual equipment must be made at least five (5) business days in advance of the hearing date. The request is to be sent to [Trials@uspto.gov](mailto:Trials@uspto.gov). If the request is

Patent 8,288,952 B2

not timely received, the equipment may not be available on the day of the hearing.

The Board expects lead counsel for each party to be present at the oral hearing, although any counsel of record may make the actual presentation. If either party anticipates that its lead counsel will not be in attendance at the oral hearing, at least one back-up counsel who is registered to practice before the USPTO must be in attendance. Furthermore, such party shall notify the Board that lead counsel will not be in attendance, and identify the back-up counsel who is a registered practitioner and will be in attendance.
