P R O C E E D I N G S

- - - - -

JUDGE PETTIGREW: Good morning, everyone. This is a consolidated hearing for seven cases, IPR2015-01171, 01172, 01173, 01174, 01175, 1603 and 1616. Global Touch Solutions is the Patent Owner in all cases, Apple is a Petitioner in all cases, Motorola Mobility is a Petitioner in some of the cases, and Toshiba America Information Systems is a Petitioner in some of the cases.

Each side has 120 minutes to argue. Petitioners have the ultimate burden of establishing unpatentability and will argue first. Patent Owner then will present its opposing argument, and, finally, Petitioners may use any time they have reserved for rebuttal to respond to Patent Owner's argument.

We plan to take a recess of about one hour for lunch at a convenient breaking point, either after Petitioners' opening argument, or after Patent Owner's argument, depending on how much time has passed. Judge Busch is joining us by video from our Detroit office, and won't have the benefit of the visual cues in the room, so when you speak about an exhibit or demonstrative, please begin by clearly identifying it with a particular page or slide number. Also, please be sure to speak into the microphone for the benefit of both Judge Busch and the court reporter.

1           Before we begin, we have many people here, let's have  
2 counsel for each party identify themselves and the party they  
3 represent for the record, beginning with Petitioners.

4           MR. BENDER: Yes, Your Honor, James Bender for  
5 Apple.

6           MR. MOORE: Matt Moore for Apple.

7           JUDGE PETTIGREW: Thank you.

8           MS. HINES: Good morning, Dori Hines for Toshiba.

9           MR. McCAMMON: Luke McCammon for Toshiba.

10          MR. MOORE: I should also state Chris Schmoller with  
11 the graphics, and from Apple, Cyndi Wheeler.

12          JUDGE PETTIGREW: And for Motorola Mobility?

13          MR. MORTON: Philip Morton for Motorola Mobility.

14          JUDGE PETTIGREW: Thank you.

15          And for Patent Owner?

16          MR. MANDIR: William Mandir, Your Honor.

17          MR. KIBLAWI: Fadi Kiblawi, Your Honor.

18          MR. CRISTLER: Nathan Cristler.

19          MR. PARK: Peter Park.

20          MR. SHELTON: Brian Shelton.

21          JUDGE PETTIGREW: All right. Petitioner, you may  
22 begin when ready. Do you wish to reserve any rebuttal time, and  
23 how much?

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
