Counsel:

Thanks for sending. Here are Sony's revisions to the Appendix.

Sony proposes to list "etching" as an agreed term using Raytheon's alternate construction – removing material with an etchant. I believe all Defendants agree to this but I would ask them to confirm. Please let me know if this is acceptable.

Regards,

Bob

In light of Defendants' suggestions we believe this new form is cleaner and easier to read. Please let us know if you have any objections.
