Who We Are

Based in Washington, D.C., the Personal Care Products Council is the leading national trade association representing the global cosmetic and personal care products industry. Founded in 1894, the Council represents more than 600 member companies who manufacture, distribute, and supply the vast majority of finished personal care products marketed in the U.S. As the makers of a diverse range of products millions of consumers rely on everyday, from sunscreens, toothpaste and shampoo to moisturizer, lipstick and fragrance, personal care products companies are global leaders committed to product safety, quality and innovation.

Now Accessible to Members. As the European

Union prepares to repeal Cosmetics Regulation

76/768/EEC and fully implement Regulation (EC)

No 1223/2009, it is important for companies to

fully understand what is expected of them.

INCI is no longer required to be translated into

Spanish in Mexico. The availability of the Spanish

version of the *International Cosmetic Ingredient*

Dictionary and Handbook ended on Dec. 18, 2012

as NOM-141 officially comes into force and the

use of INCI is valid in Mexico.
