MSNBC - "If you've ever experienced the horror of reaching into a bag only to find that you've forgotten to bring a charger for your dying phone's battery, then you'll understand how appealing"

CNET - "Every now and then you see a product that's so common sense it seems like it should have been invented years ago. Case in point-- JuiceTank"

Stuff - "a veritable Swiss army knife of an iPhone case"

Gizmodo - "you can leave your charging cable at home, but still top off the battery wherever you find an outlet"

Engadget - "its design is certainly novel enough to make us give it a second look"

Ubergizmo - "the first of its kind in the world"

Technobuffalo - "it's one of the coolest cases we've ever seen"

Betanews - "I am breaking my own rule by writing about this iPhone charger, that's how cool it is"

DudeIWantThat - "It's brilliant to the power of Chuck Norris"

Uncrate - "Instead of cramming a battery onto the back of an iPhone case, the JuiceTank sports fold-out prongs, instead, serving as an always-available charger for your power-hungry phone"

Hi Kickstarter! Thanks for checking out our project.

The JuiceTank is the first iPhone case to feature an integrated wall charger that folds flat to provide maximum portability. The automated plug deploys easily and allows you to plug your phone directly into the wall.

THOUGHTFUL DESIGN

We designed the case with a micro USB pass through so you can charge and sync your iPhone with a micro USB cord... if you have one handy. If not, you'll always have your JuiceTank with

The case will be made out of a high grade polycarbonate to protect your phone from daily wear and tear. The inside of the case will feature a soft touch rubberized finish to keep your iPhone
