1 PTAB Conference Call

2 ADMINISTRATIVE PATENT JUDGE: Good  
3 afternoon, everybody. This is Judge Ken  
4 Barrett with the Patent Trial and Appeal Board.

5 We're on this call for the case  
6 Bungie v. Worlds, IPR2015-01264, 1319 and 1321.

7 As I've said, this is Judge Ken  
8 Barrett. On the phone with me are Judges Karl  
9 Easthom and Jason Chung.

10 Who do we have on the phone for  
11 Petitioner?

12 MR. ROSATO: Hi. Good afternoon,  
13 Your Honor. This is Mike Rosato on behalf of  
14 Petitioner Bungie.

15 I may have a couple of my colleagues  
16 dialed in, Matt Argenti and Jad Mills.

17 Additionally, we have a court  
18 reporter on the line, I believe. One should be  
19 on the line anyway.

20 THE REPORTER: Actually, you have  
21 two on the line. Apparently both sides hired  
22 one.

23 ADMINISTRATIVE PATENT JUDGE: Well,  
24 that's interesting. Okay.

25 Who do we have on the phone for

## 1 PTAB Conference Call

2 Patent Owner?

3 MR. HELGE: Hi. Good afternoon,  
4 Your Honor. This is Wayne Helge, H-e-l-g-e,  
5 appearing here on behalf of Worlds.

6 With me, I have my colleagues Aldo  
7 Noto, N-o-t-o, and Alan Wright, W-r-i-g-h-t.

8 And Your Honor, just as a quick  
9 housekeeping matter, we did file Powers of  
10 Attorney for Mr. Noto and Mr. Wright today, and  
11 also updated mandatory notices.

12 One of the attorneys who was  
13 previously on the case has left our firm. And  
14 although we don't need to deal with it perhaps  
15 immediately, Your Honor, I would just like some  
16 guidance on instructions on how you would like  
17 us to request the removal of the other  
18 attorneys, the prior backup counsel, from the  
19 record in this case.

20 ADMINISTRATIVE PATENT JUDGE: I  
21 believe you've done what you need to do. If  
22 there's anything different, I'll put it in the  
23 order. But I did see those papers that came in  
24 today, so they are in the file.

25 MR. HELGE: Thank you, Your Honor.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
