Pursuant to the notice of practice guide published at 77 Fed. Reg. 48,755, 47,765 (Aug. 14, 2012) (codified at 37 C.F.R. pt. 42), and in view of the initial conference call contemplated by the Scheduling Order (*see* Paper No. 9 at 6), Patent Owner advises the Board and Petitioner that Patent Owner does not currently anticipate the filing of any motions that would be ripe for discussion during the initial conference call. Patent Owner nonetheless observes as follows:

1. Counsel for both parties have discussed a stipulated modification of the Scheduling Order as to Due Dates 1, 2 and 3. Petitioner has not yet authorized the stipulation. Patent Owner believes there should be no impediment to stipulation, but cannot rule out the need to pursue motion practice.

2. On January 5, 2016, by agreement of the parties, and as directed upon telephone inquiry to Board staff member Maria Vignone, counsel for Patent Owner submitted a request to trials@uspto.gov for a one-week modification of Due Date 7 (oral argument) to August 23, 2016, due to a calendar conflict.

3. Patent Owner reserves the right to pursue a motion to amend, as to which a different conference-call deadline applies (*see* Paper No. 9 at 3).

Respectfully submitted,
