REALTEK SEMICONDUCTOR  
CORPORATION

Petitioner

v.

ANDREA ELECTRONICS  
CORPORATION

Patent Owner

---

Case: IPR2015-01393

U.S. Patent No. 6,049,607

---

**PARTIES' JOINT MOTION TO TERMINATE PROCEEDING  
PURSUANT TO 35 U.S.C. § 317**

Pursuant to 35 U.S.C. § 317(a), Petitioner, Realtek Semiconductor Corp. (“Realtek”), and Patent Owner, Andrea Electronics Corp. (“Andrea”), jointly request termination of this *inter partes* review of U.S. Patent No. 6,049,607, Case No. IPR2015-01393.

**I. Termination of This Proceeding Is Appropriate**

Termination of this proceeding by the PTAB is appropriate. This case is still in the preliminary proceeding stage, the *inter partes* review trial has not yet been instituted, and no motions or petitions are outstanding in this case. Termination with respect to Petitioner is proper under 35 U.S.C. § 317(a) because the parties are jointly requesting termination and the Office has not yet “decided the merits of the proceeding before the request for termination is filed.” Further, on October 15, 2015, Realtek and Andrea entered into a Settlement Agreement (a true copy of which, and its collateral License Agreement, is filed concurrently as Ex. 2001). Thus, termination of this proceeding is appropriate because (i) the case is in the preliminary proceeding stage, (ii) the parties have settled their dispute, and (iii) the parties have agreed to jointly move to terminate this *inter partes* review proceeding.

**II. Status of Related Matters**

Andrea has asserted the ‘607 Patent against multiple companies in the Eastern District of New York and the International Trade Commission (“ITC”). The ITC Investigation, *Certain Audio Processing Hardware and Software and Products Containing Same*, Inv. No. 337-TA-949, filed on February 9, 2015, against Realtek, Acer Inc., Acer America Corp., ASUS Computer International, ASUSTeK Computer Inc., Dell Inc., Hewlett

Packard Co, Lenovo Holding Co., Inc., Lenovo (United States) Inc.,  
Toshiba Corp., and Toshiba America Information Systems, Inc., is  
currently pending.

The following cases were filed on July 25, 2014, all of which are  
stayed pending the resolution of the ITC Investigation.

- *Andrea Electronics Corporation v. Acer Inc. et al*, 2:14-cv-04488
- *Andrea Electronics Corporation v. Lenovo Group Ltd. et al*, 2:14-cv-04489
- *Andrea Electronics Corporation v. Toshiba Corporation et al*, 2:14-cv-04492

The following cases were filed on January 14, 2015.

- *Andrea Electronics Corporation v. Hewlett-Packard Company*, 2:15-cv-00208
- *Andrea Electronics Corporation v. Dell Inc.*, 2:15-cv-00209
- *Andrea Electronics Corporation v. ASUSTeK Computer Inc. et al*, 2:15-cv-00214
- *Andrea Electronics Corporation v. Realtek Semiconductor Corp.*, 2:15-cv-00215

In addition, Realtek filed a breach of contract lawsuit concerning a  
license agreement related to the '607 Patent against Andrea in the U.S. District

Court for the Northern District of California on July 9, 2015, 5:15-cv-03184.

The initial case management conference has been scheduled for November 12, 2015.

**III. Settlement Agreement**

As required by 35 U.S.C. § 317(b), a true and correct copy of the Settlement Agreement is being filed with the Patent Office. The parties desire that the Settlement Agreement be maintained as business confidential information under 37 C.F.R. §42.74(c) and a separate joint request to that effect is being filed on this date. In accordance with 35 U.S.C. § 317(a), no estoppel under 35 U.S.C. § 315(e) shall attach to Realtek because Realtek and Andrea jointly request termination.

Therefore, the parties respectfully request termination of these proceedings.

Respectfully submitted,

Joint Motion to Terminate Proceeding  
Case IPR2015-01393  
U.S. Patent No. 6,049,607

Date: October 16, 2015

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
