Case IPR2015-01432 Patent 7,139,794 B2

A trial in this proceeding was instituted on December 23, 2015 (Paper 15, "Decision to Institute"). A Scheduling Order was entered on December 30, 2015. The Scheduling Order set the date for oral hearing to September 19 2016, if hearing is requested by the parties and granted by the Board. Paper 17 ("Scheduling Order"). Both parties have requested oral hearing pursuant to 37 C.F.R. § 42.70. The request is GRANTED.

Each party will have 45 minutes of total argument time. Microsoft Corporation ("Petitioner") bears the ultimate burden of proof that the claims at issue in this review are unpatentable. Therefore, at oral hearing Petitioner will proceed first to present its case with regard to the challenged claims on which basis we instituted trial and on Petitioner's Motion to Exclude Evidence (Paper 43). Thereafter, Bradium Technologies LLC ("Patent Owner") will argue its opposition to Petitioner's case and to Petitioner's Motion to Exclude Evidence. Petitioner then may use any time Petitioner reserved to rebut to Patent Owner's opposition.

There is a strong public policy interest in making all information presented in these proceedings public, as the review determines the patentability of claims in an issued patent and thus affects the rights of the public. This policy is reflected in part, for example, in 35 U.S.C. § 316(a)(1) and 35 U.S. C. § 326(a)(1) which provide that the file of any inter partes review or post grant review be made available to the public, except that any petition or document filed with the intent that it be sealed shall, if accompanied by a motion to seal, be treated as sealed pending the outcome of the ruling on the motion. There are no motions to seal in the present proceeding. Accordingly, the Board exercises its discretion to make the oral hearing publically available via in-person attendance.

2

Specifically, the hearing will commence at 1:30 PM on September 19, 2016, on the ninth floor of Madison Building East, 600 Dulany Street, Alexandria, Virginia. In-person attendance will be accommodated on a first come first serve basis.

The Board will provide a court reporter for the hearing and the reporter's transcript will constitute the official record of the hearing. Any demonstrative exhibits must be served on or before September 12, 2016. Demonstrative exhibits are not evidence and may not introduce new evidence or arguments. Instead, demonstrative exhibits should cite to evidence in the record. The parties are directed to St. Jude Medical, Cardiology Division, Inc. v. The Board of Regents of the University of Michigan, Case No. IPR2013-00041 (PTAB Jan. 27, 2014) (Paper 65), and CBS Interactive Inc. v. Helferich Patent Licensing, LLC, IPR2013-00033, Paper 118 (Oct. 23, 2013), regarding the appropriate content of demonstrative exhibits. Any issue regarding demonstrative exhibits should be resolved at least three days prior to the hearing by way of a joint telephone conference call to the Board. The parties are responsible for requesting such a conference sufficiently in advance of the hearing to accommodate this requirement. Any objection to demonstrative exhibits that is not timely presented will be considered waived. Demonstratives should be filed at the Board no later than two days before the hearing. A hard copy of the demonstratives should be provided to the court reporter at the hearing.

Questions regarding specific audio-visual equipment should be directed to the Board at (571) 272-9797. Requests for audio-visual equipment are to be made 5 days in advance of the hearing date. The

request is to be sent to <u>Trials@uspto.gov</u>. If the request is not received timely, the equipment may not be available on the day of the hearing. The parties are reminded that the presenter must identify clearly and specifically each demonstrative exhibit (e.g., by slide or screen number) referenced during the hearing to ensure the clarity and accuracy of the reporter's transcript. The parties also should note that at least one member of the panel will be attending the hearing electronically from a remote location and that if a demonstrative is not filed or otherwise made fully available or visible to the judge participating remotely, that demonstrative will not be considered. If the parties have questions as to whether demonstrative exhibits would be sufficiently visible and available to all of the judges, the parties are invited to contact the Board at 571-272-9797.

The Board expects lead counsel for each party to be present in person at the oral hearing. However, lead or backup counsel may present the party's argument. If either party anticipates that its lead counsel will not be attending the oral argument, the parties should initiate a joint telephone conference with the Board no later than two business days prior to the oral hearing to discuss the matter.
