**NOTICE OF CORRECTION OF CERTIFICATE OF SERVICE FOR  
PETITION FOR *INTER PARTES* REVIEW OF U.S. PATENT NO. 7,754,702**

Petitioner, Pharmacosmos A/S, files this Notice of Correction of Certificate of Service in connection with the Petition for Inter Partes Review of U.S. Patent No. 7,754,702 to notify the Court that the address indicated on Petitioner's original Certificate of Service is undeliverable. Petitioner obtained the address recited in the original Certificate of Service from the United States Patent Office P.A.I.R. system. However, when Petitioner attempted to complete service via Express Mail, the U.S. Postal Service representative refused to accept the package stating that the P.O. address was invalid. Petitioner therefore contacted the named law firm, Dentons US LLP, at the Chicago office identified in PAIR, and were given the new address provided on the attached certificate of service.

Respectfully submitted,
