Re: Case IPR2015-01571

Dear Ms. Underwood:

Pursuant to the July 29, 2015 Notice of Filing Date Accorded to Petition and Time for Filing Patent Owner Preliminary Response (Paper No. 3), the above-identified petition for *inter partes* review was accorded a July 10, 2015 filing date, but petitioner was requested to correct an alleged defect in petitioner's claims charts.

Petitioners herewith submit a Corrected Petition with revised claim charts that delete certain language. Petitioners have also updated the petition's title (to add the word "Corrected"), the petition date, and the certificate of service. Petitioners have made no other changes, and no new matter was introduced. The corrected petition is being served on the parties identified in the certificate of service attached to the corrected petition.

The July 29, 2015 notice allowed petitioner five business days to correct the petition. Therefore, petitioner believes the filing of this corrected petition complies with the notice. Should you or the Board have any questions, please do not hesitate to contact lead counsel, Elizabeth Holland, or me.

Sincerely,
/Cynthia Lambert Hardman/
