The above-identified proceedings are still in their preliminary stages, and a decision whether to institute trial has not yet been made. The narrowing of issues at this preliminary stage of the proceedings would serve to both conserve judicial resources and facilitate the Board's goal of resolving *inter partes* reviews in a just, speedy, and inexpensive manner. 37 C.F.R. § 42.1(b). Accordingly, we grant the parties' joint motion to limit the Petition in each of the above-identified proceedings.
