About Us

Sanofi, a global healthcare leader, discovers, develops and distributes therapeutic solutions focused on patient's needs. Sanofi has core strengths in diabetes solutions, human vaccines, innovative drugs, consumer healthcare, emerging markets, animal health and Genzyme.

Sanofi US, with headquarters in Bridgewater, New Jersey, employs 17,000 professionals throughout the country. Our affiliate companies in the United States include [Genzyme](#) (rare diseases), [Sanofi Pasteur](#) (vaccines), [Merial](#) (animal health) and [Chattem](#) (consumer healthcare).

Through the [Sanofi Foundation for North America](#), we strive to reduce healthcare inequalities in the U.S. by making strategic charitable donations and by establishing partnerships with Non-Government Organizations that have broad expertise in our long-term priorities.

At Sanofi, we act with our partners to protect health, enhance life and respond to the hopes and potential healthcare needs of 7 billion people around the world.
