Nick,

We appreciate your response below. Further to your request, please delete all such materials relating to the preliminary response. We further note we are still waiting for a substantive response to the information requested from AIT's PTAB counsel, and further reserve all rights to pursue appropriate remedies for the breach of the Protective Order in the PTAB proceeding.

Regards,

Ray

Ray,

While I'm not fully up to speed on what happened and if and why it is a problem, I did receive certain materials relating to the draft patent owner response after signing the protective order. I did not send those materials to anyone else – they stopped with me. I have not reviewed the materials since November 27, but I do still have the emails and files on my computer. I will delete them if you would like. Otherwise, I understand that there is to be some motion practice before PTAB that will more fully address the issue.

Please let me know if you would like me to delete the emails and files that I received relating to the draft patent owner response.

Best Regards,
