### PROXY STATEMENT March 28, 2002 for Annual Meeting of Shareholders to be Held on May 2, 2002

---

The Board of Directors (the "Board") is soliciting proxies to be used at the Annual Meeting to be held on May 2, 2002, and any adjournments thereof. This proxy statement, the form of proxy and the Great Lakes Chemical Corporation annual report for 2001 will be mailed to shareholders on or about March 28, 2002.

Only shareholders of record at the close of business on March 4, 2002 (the "record date") will be entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. On that date, there were 50,186,685 issued and outstanding shares of the Company's common stock ("Common Stock"), the only class of voting securities of the Company.

#### INFORMATION ABOUT VOTING

##### Methods of Voting

Your vote is very important. You can vote by mail or you can cast your vote by attending the Annual Meeting of shareholders. To vote by mail, mark your proxy, date and sign it and return it in the postage-paid return envelope that is provided.

If you are the beneficial owner of shares held in "street name" by a broker, the broker as the holder of record of the shares is required to vote these shares in accordance with your instructions.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign the proxy card but do not give voting instructions, the shares represented by that proxy will be voted for the election of the nominee directors, for Proposal Two (adoption of the 2002 Stock Option and Incentive Plan) and against Proposal Three (the shareholder proposal) as recommended by the Board of Directors.

---

### **Revoking or Changing Your Vote**

You may revoke or change your proxy at any time before it is voted at the Annual Meeting by:

- Sending written notice of revocation to the secretary of the Company;
- Submitting another properly signed proxy with a later date; or
- Attending the Annual Meeting and voting in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

### **Vote Required**

There are differing vote requirements for the various Proposals. Directors will be elected by the vote of a plurality of the shares present or represented by proxy at the Annual Meeting. Only votes cast for a nominee will be counted. Unless indicated otherwise by your proxy, your shares will be voted for the three nominees. Instructions on your proxy to withhold authority to vote for one or more of the nominees will not count as a vote against the nominees.

Proposal Two, the adoption of the 2002 Stock Option and Incentive Plan, requires an affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting. Unless otherwise indicated by your proxy, your shares will be voted for adoption of the 2002 Stock Option and Incentive Plan.

Proposal Three, the shareholder proposal regarding the classified board, also requires an affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the Annual Meeting.

### **Abstentions and Broker Non-Votes**

Proxies expressly marked as "abstain" as to Proposal Two or Proposal Three will not be counted as votes "for" or "against" a proposal, but will be counted in determining the number of shares present or represented on a proposal for purposes of a quorum. Since approval of Proposal Two and Proposal Three requires the affirmative vote of a majority of the shares present or represented, abstentions will have the same effect as a vote "against" those proposals. New York Stock Exchange rules prohibit brokers from voting on Proposal Three without receiving instructions from the beneficial owner of the shares. In the absence of instructions, shares subject to such "broker non-votes" will not be counted as voted, and will have no effect on the proposal.

### **Other Business**

If any other matters are properly presented at the Annual Meeting for consideration, the persons named on the enclosed proxy card will have the discretion to vote on those matters for you. At the date we began printing this proxy statement, the Board of Directors knew of no other matter to be raised at the Annual Meeting.
