16 By: Steven C. Sereboff, Esq.

17 Counsel for the Patent Owner

1 JUDGE PETTI GREW: Good morning. This is a
2 call for IPR-2015-01750, 01751, and 01752, RPX v.
3 AIT.

4 This is Judge Pettigrew, and Judge Weatherly
5 is also on the call with me.

6 Who do we have on the call for petitioner
7 RPX?

8 MR. GIUNTA: Good morning, Your Honor. This
9 is Rich Giunta from Wolf Greenfield, and I'm joined
10 on the line by my colleague Elisabeth Hunt.

11 JUDGE PETTI GREW: Okay. Thank you. And who
12 do we have on the call for patent owner?

13 MR. SEREBOFF: Good morning, Your Honor.
14 This is Steve Sereboff for AIT. And I'm alone.

15 JUDGE PETTI GREW: All right. Thank you. And
16 we do not have a court reporter on the call; is that
17 correct, petitioner?

18 MR. GIUNTA: No. We do have a court reporter
19 on the line, Your Honor.

20 JUDGE PETTI GREW: Oh, I'm sorry. You do have
21 a court reporter on the line?

22 MR. GIUNTA: Yes, Your Honor.

23 JUDGE PETTI GREW: Okay. Thank you. So we
24 just ask that you file the transcript as an exhibit

1 in due course, or actually as soon as possible after
2 the call.

3 MR. GIUNTA: Yes, Your Honor, we will.

4 JUDGE PETTIGREW: Okay. As you know, these
5 cases are currently before the board on remand from
6 the Federal Circuit. Last week we received an email
7 from petitioner RPX requesting a conference call to
8 seek authorization to file a motion to stay the
9 remand proceedings. The email indicated that in view
10 of the Supreme Court's recent decision in Thryv v.
11 Click-to-Call, RPX intended to file a motion with the
12 Federal Circuit asking that it recall its mandate and
13 reinstate AIT's appeal from the board's final written
14 decision. The email also indicated that patent owner
15 AIT opposes RPX's request.

16 In response to petitioner's request for a
17 call, we scheduled this call for today. Meanwhile,
18 we received a followup email from petitioner
19 informing us that RPX filed a motion to recall the
20 mandate with the Federal Circuit yesterday, and the
21 email also attached a copy of the motion. And I
22 think that's where we are as of today.

23 So, petitioner, you requested the call.
24 Let's hear from you first.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
