Poster Exhibit Task Force

Mission Statement: The Poster Exhibit Task Force enhances the educational value of the annual Academy meeting by organizing poster exhibits. These poster exhibits are solicited, reviewed, and approved by a peer review Task Force. The Task Force develops guidelines and monitors posters for quality educational content.

Task Force Members:

Theodore Rosen, MD, FAAD, Chair
Khalid Mohd Al Aboud, MD
Brian Berman, MD, PhD, FAAD
Nicole V. Brey, MD
Peter G. Ehrnstrom, MD, FAAD
Carlos A. Garcia, MD
Timothy F. Kelly, MD, FAAD
Eve Judith Lowenstein, MD, PhD, FAAD
Barbara M. Mathes, MD, FAAD
William D. Posten, MD, FAAD
Julie V. Schaffer, MD, FAAD
Kenneth J. Tomecki, MD, FAAD
Youwen Zhou, MD, FAAD

The opinions or views expressed in this professional educational supplement are those of the author(s) and not necessarily those of the Editor(s), publisher, sponsor, or Academy, and the Editor(s) publisher, sponsor, and Academy disclaim any responsibility or liability for such material. Neither the Editor(s), publisher, nor the Academy guarantees, warrants, or endorses any product or service advertised in this publication, nor do they guarantee any claim made by the manufacturer of such product or service.

Dosages, indications, and methods of use for products that are referred to in the supplement by the authors may reflect their clinical experience or may be derived from the professional literature or other clinical sources. Because of the differences between in vitro and in vivo systems and between laboratory animal models and clinical data in humans, in vitro and animal data may not necessarily correlate with clinical results.

Future citation agreement/How to cite abstracts from this supplement: Author(s) agree(s) that citations to poster abstracts published in the *Journal of the American Academy of Dermatology* will adhere to the format of the examples given below, which clearly indicate that the cited item has been published in abstract form.

Authors. Title of abstract (abstract). *J Am Acad Dermatol* 2008;58:AB page number. Abstract number.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
