TO PETITION

Mailed September 16, 2015

Petitioner Coalition For Affordable Drugs XI LLC ("CFAD" or "Petitioner") hereby corrects the defects identified in the Notice Of Filing Date Accorded to Petition ("the Notice") in accordance with the guidance provided in a telephone conversation by Mr. Patrick Baker of the Patent Trial and Appeal Board.

The Notice identified the following defects:

Failure to affix exhibit labels to the lower right corner of the first page of the exhibits. The exhibit labels should include the petitioner's name followed by the exhibit number, the names of the parties, and the trial number. 37 C.F.R. § 42.63(d)(1), (2)(ii).

In addition, Mr. Baker asked Petitioner to enter into PRPS the names of each real party in interest identified in the Petition.

In response, Petitioner hereby provides corrected exhibits, each of which has an exhibit label (including the petitioner's name, the exhibit number, the names of the parties and the trial number) affixed to the lower right corner of the first page. Petitioner also entered into PRPS the names of each real party in interest identified in the Petition.

Petitioner respectfully submits that the defects are now corrected.
