I N D E X

WITNESS:	PAGE
KEVIN J. NEGUS	
Examination by Mr. Henschke	5

EXHIBITS:		
NO:	DESCRIPTION:	PAGE
1:	Notice of Deposition of Kevin J. Negus	5

Certificate of Court Reporter	202
-------------------------------	-----

1

TUESDAY, MAY 17, 2016

2 Thereupon,

3

KEVIN J. NEGUS,

4

a witness of lawful age, having been previously

5

sworn to tell the truth, the whole truth, and

6

nothing but the truth, testified as follows:

7

MS. HAYES: And, Counsel, I'm going to

8

state for the record that I know that you've

9

applied for pro hac vice admission, but that motion

10

hasn't been granted yet, so Sierra Wireless and RPX

11

object to your appearance at the deposition to take

12

questions.

13

MR. HENSCHKE: Is that right? On what --

14

On what basis?

15

MS. HAYES: On the basis that you haven't

16

actually been admitted pro hac vice in the case.

17

MR. HENSCHKE: Do you have some reason to

18

believe that that pro hac vice admission will be

19

denied or that I'm not qualified to take the

20

deposition today?

21

MS. HAYES: I have no reason to believe

22

it will not be granted or that it will be granted.

23

I'm just objecting to your appearance because you

24

haven't actually been admitted in the case.

25

MR. HENSCHKE: I see.

1 EXAMINATION

2 BY MR. HENSCHKE:

3 Q. Dr. Negus, could you please state your
4 full name and residential address for the record?

5 A. My -- Excuse me. My name is Kevin Negus,
6 and I live at 522 Moose Lake Road in Philipsburg,
7 Montana.

8 MR. HENSCHKE: So as an initial
9 housekeeping matter, I'd like to introduce and mark
10 as Negus Exhibit 1 the patent owner's notice of
11 deposition of Kevin J. Negus.

12 EXHIBIT:

13 (Deposition Exhibit 1 marked for
14 identification.)

15 MR. HENSCHKE: And this may be the only
16 exhibit that we identify specifically for purposes
17 of this deposition today.

18 MS. HAYES: Shall we give the witness the
19 marked version of the exhibit?

20 MR. HENSCHKE: If you want to.

21 BY MR. HENSCHKE:

22 Q. Dr. Negus, prior to today, have you ever
23 given deposition testimony in any other IPR
24 proceedings besides these?

25 A. Not that I recall.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
