5 DANIEL J. RADER, M.D., after
6 having been first duly sworn, was
7 examined and testified as follows:

8 - - -

9 E X A M I N A T I O N

10 - - -

11 BY MR. CASIERI:

12 Q. Good morning, Dr. Rader.

13 A. Good morning.

14 Q. Have you ever had your deposition
15 taken before?

16 A. No.

17 Q. Okay. Just in case your attorney
18 here didn't go through the basics, which I'm
19 sure he did, I'm going to ask questions, you'll
20 give the answers and the Court Reporter will
21 take down the answers.

22 A. Uh-hum.

23 Q. The Court Reporter can't really see
24 you shaking your head yes or shaking your head
25 no, so it's hard, but if you can try to

1 DANIEL J. RADER, M.D.

2 remember to verbalize your answers.

3 A. Sure.

4 Q. And I have trouble hearing yeahs and
5 nos, so if you can try to articulate those two.

6 A. Sure.

7 Q. And then if you need a break at any
8 time, just let me know, and you can have a
9 break.

10 A. Okay.

11 Q. And I'll try to make my questions as
12 clear as possible, but if you don't understand
13 a question, let me know; otherwise, I'm going
14 to assume that you do understand the question.

15 A. Okay.

16 Q. That's pretty much it.

17 So let's get started here. I'm
18 going to hand you what's been marked Penn
19 Exhibit 2026. It's titled Declaration of
20 Daniel Rader.

21 Just take a quick look at that.
22 And I'm just going to ask you to turn to the
23 back page. And if you would, confer for me
24 that your signature?

25 A. It is.

1 DANIEL J. RADER, M.D.

2 Q. Okay. So what we're just going to do
3 is go through this, probably not every
4 paragraph, but I'll just start off by just
5 pointing you to a paragraph and I'll ask you
6 some questions about it.

7 A. Sure.

8 Q. So why don't you turn to paragraph
9 number two on page two.

10 A. Yes.

11 Q. Okay. You indicate here that, I'm a
12 medical doctor with over 25 years of experience
13 treating patients with a focus on treating
14 patients suffering from lipid disorders.

15 A. Uh-hum.

16 Q. Do you see that?

17 A. Yes.

18 Q. When did you start treating patients?

19 A. I graduated from medical school in
20 '84, did a residency in internal medicine, and
21 I completed in '88, and then I did further
22 training in lipid disorders starting in '88.

23 Q. And do you still treat patients today
24 for lipid disorders?

25 A. I do.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
