

## CIGNA ANNOUNCES APPEARANCE AT CIBC HEALTHCARE CONFERENCE

### 07 November 2003

Cigna Corporation (NYSE: CI) announced today that management is scheduled to appear at the CIBC World Markets' 14th Annual Healthcare Conference on Tuesday, November 11, 2003 in New York City.

Cigna's presentation is expected to begin at approximately 8:00 AM Eastern Standard Time. Investors, analysts and the general public are invited to listen to the presentation via the Internet by visiting <http://www.cigna.com/> and clicking on the Investor Relations link.

To listen to this presentation live on the Internet, visit <http://www.cigna.com/> at least 15 minutes prior to the presentation (to download and install any necessary audio software). A replay of the broadcast will be available on Cigna's website until 11:59 pm on Friday, November 21, 2003.

Cigna Corporation and its subsidiaries constitute one of the largest investor owned employee benefits organizations in the United States. Its subsidiaries are major providers of employee benefits offered through the workplace, including health care products and services; group life, accident and disability insurance; retirement products and services; and investment management. As of September 30, 2003, Cigna Corp. and its subsidiaries had consolidated assets of approximately \$90.2 billion and shareholders' equity of \$4.2 billion. Full-year 2002 revenues totaled \$19.3 billion.
